WHY UNIFORMS?

At Regents Academy, our uniform policy exists to cultivate a school culture that glorifies God in all things and seeks the good of our neighbor. What we wear becomes part of how we love one another—shaping an environment marked by humility, unity, and shared purpose. In this way, our daily dress reflects a community formed not around individual expression, but around a common calling to honor Christ together. Uniforms help us:

1. Point beyond ourselves.

Our appearance should reflect that we belong to Christ and seek to honor Him in both character and conduct.

2. Cultivate humility and modesty.

Uniforms remind us that personal worth is not defined by appearance, trends, or status, but by being made in the image of God.

3. Strengthen unity and belonging.

A shared standard of dress reduces visible distinctions and reinforces that we are one community, learning and growing together.

4. Support focus and order.

Uniforms contribute to a learning environment that is attentive, disciplined, and free from unnecessary distractions.
